Give Yourself the Gift of *Wedding Day Peace of Mind.*

Partnering vows

We pledge to each other to be loving friends and committed partners: To talk and to listen, to trust and appreciate one another; to respect and cherish each other's uniqueness; and to support, comfort and strengthen each other through life's joys and sorrows. We promise to share hopes, thoughts and dreams as we build our lives together. May our lives be ever intertwined, our love keeping us together. We will build a home that is compassionate to all, full of respect and honor for others and each other. May our home be forever filled with peace, happiness, and love.

You, _____, are the love of my life, my reason for living, the inspiration I have always sought and, as such, pledge my undying dedication to you for the rest of my life. I love you with all of my heart and soul and know that as long as you are next to me I will be willing to give my life to you, if necessary, to ensure your happiness and well being. I, _____, take your hand and hold you to be, from this day on, an integral part of me, like it was my own flesh, and promise to look upon you forever as I would look upon myself, with dedication, understanding, and unconditional love.

I love you _____ with all my heart and soul, as you are everything that I could ever hope to find in a woman/man. You are loving, thoughtful, caring, smart, and beautiful/handsome in my eyes and your love always makes me feel like the happiest and luckiest man/woman alive. I am proud to have you as my life's partner and I promise that I will always be at your side, through good and bad, and give you everything that is in my power to grant to assure your health and happiness for as long as I live. I am yours forever....

I promise to be there when you need me, to fill your days with sunshine, to comfort you and encourage you, to help you reach your goals, to be your best friend ever and to love you all my life with all my heart.
